Spotted on the Street

This Farpointe [P-640 combination reader/keypad](#) was recently spotted at a secure gate in Carlsbad, CA.

The P-640 is a member of the *Pyramid Series Proximity*® line of 125-kHz proximity readers and credentials, and is backed by Farpointe's lifetime warranty. Like the P-620 highlighted in this issue, the P-640 provides 2-factor authentication, which can help protect against card cloning.

To learn about a simple solution to address card cloning, take a look at the following article by our Key Accounts Sales Manager, Shep Sheppard.
